SCHOOL DAY TO DAY MAGAZINE

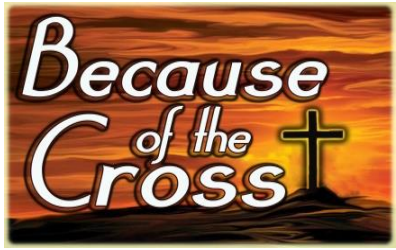
TERM 2: 18 APRIL – 30 JUNE2017

TRUE CHRISTIAN CONFESSION Containing the Summary of the Doctrine of God and of the Eternal Salvation of Man **ARTICLE 1:** ***THERE IS ONLY ONE GOD***

We all believe with the heart and confess with the mouth that there is only one God, who is a spiritual being; He is eternal, incomprehensible, invisible, immutable, infinite, almighty, perfectly wise, just, good and the overflowing fountain of all good.

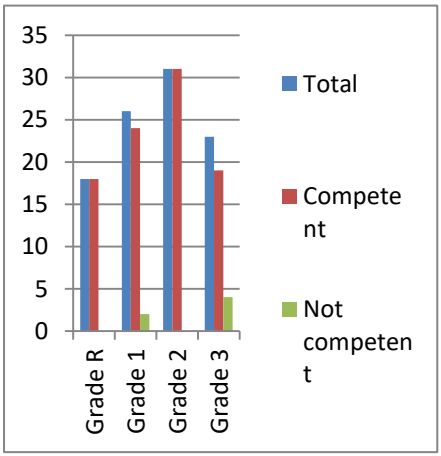
We are also aware of what the bible says in James 2;19 "***You believe that God is one; you do well. Even the demons believe-and shudder***". It is not enough to know and to teach learners that there is only one God. The bible says that even the devil and demons know that, but that knowledge alone does not change who they are. They remain evil and are on their way to the eternal fire of judgement.

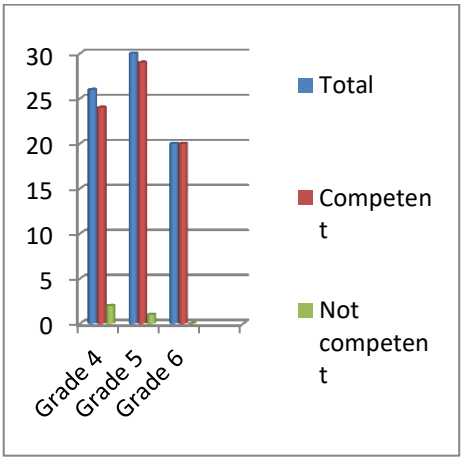
Sadly many are the people, young and old who also know that God exists, that He created them and everything else but do not know God as their Father. There is only One way that we can come to understand who God really is, not just know Him as the creator, but as our personal Savior, our King and our Father and that is through the Lord Jesus Christ. Christ made this clear when He was asked by the crowd that followed Him. Note very well that this group also knew that God is One. John 6:28-29; ***Then they asked him "What must we do to do the works of God" 29 Jesus answered "The work of God is this: to believe in the one he has sent.***"



1. TERM 2 ACADEMICAL PERFORMANCE

We had a few learners who still struggle with English and other learning areas. Grade 6 had outstanding results.





Intermediate phase learners who experienced barriers in learning were supported through extra lessons during the holidays. A lot of attention was given to English and Mathematics.

Day to day assessment continues in the foundation phase and so does learner support.

2. ACTIVITIES IN TERM 2

Class Activities

Grade 1- Learners were engaged in a number of learning activities and were very proud of some of their achievements.

Some of the themes they learned about while doing were dwellings and music.

Ball games

Learners of all grades took part on ball games as was scheduled for the 18th of May 2017.

We are in the process of identifying schools we can challenge for fun.

We also acknowledge that even though our learners had fun, the school is still looking at finding bigger space developed space for sports activities, and we trust the Lord for his provision.

Chess games

Our learners were busy practicing for the big game they will play against the Reformed Primary School Johannes Calvyn during Term 3.

Table tennis and Maths quiz

Sir Lovemore and Sir Mesheck coordinated maths quiz and table tennis respectively

We plan to have fun competitions on chess, table tennis and mats quizz in term 3.

Excursions

Only four learners did not go for excursions on the 23rd of June.

Foundation phase learners went to Kameeldrift, Rockridge Estate Pretoria and the intermediate learners visited SABC.

Foundation phase learners were busy with the theme- 'people who help us" and the place they went to allowed them an opportunity to see and hear about a variety of occupations. They learnt about occupations at schools, hospitals, police stations and fire departments.

Each foundation phase learner chose which occupation they like the most and learnt more about it.

As always all safety precautions (such as drivers with passenger permits, signed safety agreement with the bus owners, indemnity forms for parents etc.) were looked into before learners could leave the school.

Intermediate phase learners met some of the well- known media personalities in South Africa.

3. FEEDBACK FROM PARENTS

We managed to issue the satisfaction survey and we are thankful for all the parents who were able to take part and provide the school with constructive feedback.

The school is indeed attending to the low scored items as best as it can and intends to keep up the work on all high scores. Your prayers as important stakeholders to the school will do a lot for the school. For detailed feedback on survey report, please refer to the Survey feedback report which was sent to all parents.
